

THIRD AND FINAL ANNOUNCEMENT
International Conference on Algebras, Modules and Rings
Lisboa, 14-18 July 2003
<http://caul.cii.fc.ul.pt/lisboa2003/>
lisboa03@cii.fc.ul.pt

Organized by Centro de Álgebra da Universidade de Lisboa, Portugal, in memory of Professor A. Almeida Costa, on the centenary of his birth.

To be held at: Faculdade de Ciências da Universidade de Lisboa, Campo Grande, Edifício C3, Piso 2, P-1749-016 Lisboa, Portugal

The conference will include invited lectures and contributed talks and has over 170 registered participants. The emphasis will be on important new developments in the areas of Module Theory, Ring Theory, Representation Theory of Algebras and the striking connections with Non-Commutative Algebraic Geometry. Accepted Abstracts and the schedule for the invited talks can be viewed at the conference webpage.

The proceedings of the conference will be published by Marcel Dekker, in the Lecture Notes in Pure and Applied Mathematics. All papers submitted to the Conference Proceedings will be refereed to achieve a high scientific level. Deadline for Submission of Papers: 30th November 2003. Detailed instructions can be found at the conference webpage.

NEW! - The airlines TAP (portuguese) and VARIG (brazilian) offer discounts on flight for conference participants. See our webpage for details.

Participants that have not paid the registration fee and/or accomodation are required to do so now (see list of participants).

The final programme and the complete booklet of abstracts will be made available by the end of June. For constantly updated information, see: <http://caul.cii.fc.ul.pt/lisboa2003/>
